

Frequently Asked Questions

1. What is a Private Lease ?

A Private Lease is a long-term car leasing contract with services, for an agreed-upon term and total driving distance, designed specifically for individual customers.

The lease covers:

- vehicle depreciation,
- road tax,
- civil liability insurance,
- legal protection insurance
- driver's insurance,
- coverage of losses and damages to the vehicle (CASCO),
- maintenance and repair costs,
- roadside assistance,
- "first immediate" class replacement vehicle (= compact cars such as Open Corsa, Renault Twingo, etc., for any repair or private use exceeding 2 hours),
- winter and summer tyres (based on wear and tear).

The lease does not cover:

- fuel consumption,
- fines resulting from driving/parking infractions.

2. What is the term options for Private Lease?

You may take out a Private Lease for any term ranging from 24 to 48 months.
